

Presidents Message

Dear Members,

May Flowers as the month goes, but more known for the end of a school year. As graduations come our way, we all get busy with pride on our young ones accomplishments and prepare for their futures. We have lived ours and are gleaming in the success of our children, grandchildren and great grandchildren. Rightly

so, they are not only touching our lives, but will soon be impacting those around us and even heading for greater things that we can only imagine.

Let us rejoice in that the Lord will be there every step of their lives and know that we have instilled the best we could in their growing years. Only God knows what he has in store for them and each of us.

This past month was the Relay For Life of Kerr

County and I am always proud to take part in such an amazing show of support for an organization that makes a difference every day. Not many know that if it would not have been for cancer research, I might not have my granddaughter Idalis Monique today. Some of her diseases were treated with Kimmo and has given her the chance to live a young ladies life. She is my first born grandchild and has a special place in my heart.

Some of you know that last month I lost my Aunt Minnie to cancer. She was more like a sister since she was a year younger than me. We did a lot together when we were growing up and I shall miss her dearly, but know I shall see her in her beauty someday.

I am so blessed to be a part of such a great group of ladies and will always challenge you to do what you can to be God's servant in any way you can. My giving from my heart in volunteering and sharing is my way of not only feeling I make a difference, but spreading God's Love.

Make every day count and you shall be rewarded.

Blessings & See you at the meeting,

Rose Bradshaw
