

Presidents Message

Dear Members,

My goodness, how this past month was filled with so many joys, sorrows and emotion. From the joyous rain God blessed us with to the outcome from so much rain and the sorrow that came with those affected by it. We never know how or why God puts these trials and tribulations in

front of us, but we pray for peace as we struggle to understand.

Our graduating Seniors are now going to be part of our future leaders and deliverers in society. As for those whom do not go to college, we pray for guidance to find their role in society. Those we are fortunate to help further their education, we elate in the joy of knowing our organization has helped someone's future in life. I stand proud in knowing our organization has been able to give over 156,000.00 in scholarships to local young women that have gone on to be leaders, professionals and a woman of worth.

I pray I do not offend anyone when I speak of God as I do, for I feel strongly in my faith in Him and in You. He provides so much but so many do not see or acknowledge what He does. Bless you.

Be happy and rejoice in knowing someone Loves and Cares for you.

Blessings & See you at the meeting,
Rose Bradshaw
