Presidents Message

Dear Members,

This Sunday I read in the paper an article written by Bill Blackburn on Volunteers. One of the best articles I have read in a long time on this subject.

What would this community be without its volunteers?

From Youth events on up to our elderly care. Our community is so blessed in

that we all care and give from the heart.

It is hard to determine the impact volunteers make, I personally can tell you that if not for volunteers, many organizations and events would not be able to sustain their existence and be a vital part of the community.

I know many of us give as much as we can and then some, so I reach out to all our members to give from the heart this holiday and all the days to come.

Our veterans gave some and some gave all.

I personally feel that they have never been repaid enough for the service they gave and what they gave me. For that I feel I will never be able to say Thank You enough.

If you did not read the article, I ask you to go get a Sunday paper and on 7A, read the article and seek in your heart as to what you can do. Our organization is filled with such beautiful women that are making a mark in our community.

Blessings to all.
See you at the meeting,
Rose Bradshaw
