A note from Tara Bushnoe on Directory

I am working to revise the membership directory section of the KCWC Yearbook to include all current members. I emailed the 2015-2016 directory for your reference – it is the most recent complete version. Please email me if any of your information in the document is incorrect. New 2016 and 2017 members are not listed in the directory, but I do have your contact information that you included on your membership application.

Also, please email me a current photo if you would like it to replace the photo in the document. If your photo is not in the directory, please send me one. A head and shoulders shot taken with a cell phone will be sufficient quality. Alternatively, I will be available at the luncheon on July 5th to take your picture if that is easier for you.

Thanks!

Cloth Bags for Female patients at VA

Original cloth size: 44" x 12". Also need 37" yarn or heavy string and 2 buttons.

Iron cloth flat. Fold lengthwise with right sides facing and sew right side from top to bottom. Sew left side from bottom to 14 inches from the top; stop.

To create an opening on the left side, fold under remaining 7-8" on left side along seam line and sew each fold line from previous stopping point to the top on both sides of seam. Backstitch along the bottom split.

Fold top selvage down inside bag 2" all the way around the top from back left side to front left side; iron flat; do this again so there are two 2" folds. Iron flat. Sew the fold three times: 1/4" from top; 1" from top; 2" from top. Backstitch all ends.

Size should now be 18-18.5" long and 11" wide.

Use safety pin to pull 37" yarn or heavy string through middle casing line from left front to left back. Thread each end of yarn through a large button and tie end securely under each button. Sew 1/2" seam along bottom of bag for added strength and to shorten the length slightly. Finished!
