Presidents Message

Dear Members,
This past month has certainly been filled with memorable events and moments.

When I get up in the morning I thank God for this beautiful day He has laid out for me. Sometimes it is trying and running over, but mostly it is filled of beautiful faces and events that make the world we live in so magical.

As I pass businesses and see changes happening in our town, I am reminded that our community is thriving and we as members of this great organization I know we are having an impact on lives. Through the volunteer efforts of many and the aid we provide, we need to stand tall and proud that we are making a difference.

I am so honored to have you all in my life and can't wait to see our endeavors blossom. To all the committees, and go getters, I humbly say Thank You and Great Job.

Your presence and dedication to try and help where and when you can, I applaud and praise your efforts, for that is what women do naturally.

I give you praise and Thanks for all you do in our community and say this: A strong woman knows she has strength enough for the journey, but a woman of strength knows it is in the journey where she will become strong.

Follow us on facebook, and see the differences we make.

God Bless You All.

*See you at the meeting,
Rose Bradshaw*
