## Presidents Message

Dear Members,  
Fall is approaching and the air is crisp and cool. Football is at its peak for our local schools. Volleyball is winding down and we still have some local teams vying for a trip to the State Tournament. I mention these because I encourage you to go out and support our little

ones that represent not only themselves but our community.

Too many times, we turn on the tv and see so many bad things happening to youth and with youth. I pray for my grandchildren daily that they may enjoy that part of their lives and be given the chance to experience the good things that God has given us.

My baby just celebrated her quince and it was such a joyous event filled with smiles and happy times.

Support your children, grandchildren, great grandchildren and other youth you know. They are our future and the precious gifts God has blessed us with.

See you at the meeting,  
Rose Bradshaw
