Presidents Message

Dear Members,
Just realized that the end of the year is almost here and what has happened with the time?

God has blessed us in so many ways. New members to our great organization and events we participated in are duly noted in our archives. But, most of all God moved us in many ways to mold and shape our hearts and souls for what 2016 will bring.

Every season has its special beauty and autumn is no exception. Watching the trees turn from a uniform green to all varieties of gold, yellow and red is a spectacular experience. One can almost be blinded by the fiery brilliance. How can it be that all this beauty is sign of death and decay? With all this beauty there is a certain sadness in knowing that the changing colors foreshadow the arrival of a long cold winter. So

prepare to embrace the changes and do remember to call on your sisters in the Women's Chamber if you should need anything. That is one thing I can truly say has helped me through my times. The many cards and calls and emails and facebook posting for all my lows and highs. I deeply appreciated those and want every one of you to know that you are loved in this group and we need to express that more.

Lengthen night and shorten day;
Every leaf speaks bliss to me
Fluttering from the autumn tree.
I shall smile when wreaths of snow
Blossom where the rose should grow;
I shall sing when night's decay
Ushers in a drearier day.

Follow us on facebook, and see the differences we make.

God Bless You All, Rose Bradshaw
