## President's Message

Dear Members,

Upon Accepting the position of President, I kept pondering what I would have to offer this fantastic group of ladies? I concluded that it is not what I can offer, but what we can do together to move our organization into a more noticed and recognized part of the community.

We (the new officers) have met and are eager and excited to share what we feel will lead us in a new and more exciting direction.

I personally am a highly visible person and am easily reached. I choose to be that way to be accessible to everyone in any capacity, work or personal. We (the new officers) want to convey that we will work hard for you and for the betterment of our organization.

Boy that sounds like politics and I promised that I would never be a politician.

I thank you for the opportunity and am so excited to be there for all of you.

Don't forget to fill out your membership renewal form and pay the \$25 annual dues. Take a moment to look over the committees and please consider where you want to get involved. It is a rewarding process to see all our prospects unfold.

See you at the meeting,  
Rose
