President's Message

August? Already? It's difficult to comprehend that school will soon begin, Thanksgiving will soon be upon us, and Christmas is only 142 days away! Where did the year go? Since this is my last newsletter to write, I

would like to conclude my time as President by saying a sincere Thank You to everyone in the Kerr County Women's Chamber. You have been very kind to me, and served our community well. I especially want to thank Jo Carol Smith for serving as interim President while I was out for surgery. Her wisdom and experience are exemplary, and I appreciate her more than she knows. Secretary Kelli Lemmons kept us all informed along with Kathy LeSturgeon, and Treasurer Janelle Bullock kept our finances in order. All our Committee Chairs have worked tirelessly and made this odd, Covid-ish year productive. This year we honored special women who have been members for 20 years or more, we attempted to get to know each other with the Get Acquainted Quick Draw, we awarded Scholarships to very deserving women, and we honored our Woman of the Year. In spite of the challenges, we are finishing well.

Kerr County Women's Chamber continues to be a very special organization. Thank you for allowing me the honor of serving as President.

Sincerely,

Ann Buck
