President's Message

We have gone through many changes, trials and tribulations this year. I pray that you have fared well.

Last month we said farewell to 2 powerful women in our community and wished them well on their new ventures. We will miss Ann Buck and Karen Martin.

Last month we also showed some of our veterans just how much we appreciated their sacrifice. Let us never forget not only what they did, but those still serving do for our freedoms on a daily bases.

As changes in our organization will soon take shape, know that The Kerr Country Womens Chamber is a viable part of the community and looking forward to milestones we will make in the future.

I am proud to be a big part of this great group of ladies and pray that our community and nation will soon give everyone a welcomed sigh of relief as we watch our government unfold.

Pray daily for the rain we need and the help other parts of the country need. God will hear us as He only knows what we need.

Jo Carol Smith
 Interim President
